

TURNTABLE

Volume 2, Number 11

November 2018

The NMRA's *Turntable* is a monthly publication which, like a railroad turntable, will lead you in a number of directions on the internet.

This e-publication is a collection of railroad and model railroad videos, podcasts, websites, and/or other information freely available on the internet that we think may be of interest to you. The NMRA claims no ownership of this information, nor do we endorse its creators or their websites. The *NMRA Turntable* will not promote individuals or their for-profit ventures.

A Members-Only Exclusive Clinic from Model Railroader Video Plus

[Ask MRVP - Episode 38](#)

Host David Popp tackles some of your toughest hobby questions. With assistance from Model Railroader

Magazine's Cody Grivino, David addresses inquiries related to layout wiring, illuminating structures, N scale coupler installation, rolling stock details and more! NMRA members can enjoy this video for free, but only until the next month's *Turntable* arrives in your inbox!

Trainfest 2018 Announcements & Layouts! Milwaukee, Wisconsin

[Milwaukee Trainfest 2018](#)

At this year's show James hands out JLWII Awards to a pair of manufacturers for Best Steam and Best Diesel. Then we see new product announcements from a number of vendors along with many of the layouts that were present at the show.

Model Railroad Streets and Sidewalks

[Plastics for Streets and Sidewalks](#)

Tom shows us the techniques he uses to create streets and sidewalks using styrene and acrylic sheets.

DCC Locomotive Lighting - A Beginners Guide

[DCC Loco Lighting Intro](#)

Paul Mathews shows how he learned to install LEDs for lighting in DCC locomotives.

NMRA Clinics From Our Members-Only Collection

*** You will need to sign-in as a member to view these video clinics! ***

[Programming an Arduino](#)

In this new from Kansas City's 2018 Convention, "A Gentle Intro to Programming an Arduino," Dr. John Bate explains how to get the most from using Arduinos on your layout.

[Social Media for Beginners](#)

Focused on the individual modeler, includes how to sign up for Facebook, Twitter, Instagram, etc. Discussions on "what is social media," the NMRA's social media presence, an explanation of how social media can benefit individuals, and other topics involving social media.
